

USB 2.0 Flash Drive JetFlash® 600

Taking full advantage of advanced dual-channel technology that combines the bandwidth of two chips, Transcend's JetFlash 600 USB flash drive transfers data in the fast lane. Additionally, the top-tier MLC NAND flash chips inside provide consistent long-life durability and endurance, making the JetFlash 600 the cream of the crop.

- MLC flash-based performance and reliability
- Sleek and streamlined design
- Compact and easy-to-carry
- Transcend Elite data management software

Top-tier MLC NAND flash

Transcend Elite software

A free download from Transcend's official website and from Google Play, Transcend Elite features backup and restore, data encryption, and cloud backup functions.
