DIGITUS® Cable Management Panel with Steel Rings and Brush Strip for 482.6 mm (19") Cabinets, 1U

DN-97669

EAN 4016032465553

1U cable management panel with brush 4x steel rings 40x75 mm, black (RAL 9005)

Clear, neat cable management is one of the most important aspects for an efficient cabinet configuration. The DIGITUS® cable management panel provides 4 sturdy steel brackets for efficient use, even when handling larger cable quantities. Each space in between the steel brackets has a brush management panel to move the cable into the cabinet's interior, thus optimizing cable management. Coloring is done by means of powder coating in the colors light gray (RAL 7035) or jet black (RAL 9005). The steel brackets can be dismantled on request in order to flexibly adjust the panel to various application scenarios.

- 4x steel brackets 40 x 75 mm
- Panel made from sturdy steel sheet
- Brush management panel in between each steel bracket, 30 x 120 mm each

Attributes

- Color: black, RAL 9005
- Units: 1
- Inch form factor (IEC 60297): 482.6 mm (19")

Package contents

- Installation set (screws, cage nuts, washers)
