DIGITUS® Gigabit SFP PCI Express Card

DN-10160

EAN 4016032392019

SFP Gigabit Ethernet PCI Express Card 32-bit, low profile bracket, Intel WGI210 chipset

With the Digitus Gigabit PCI Express Fiber Optic Network Card, you can connect a PCI Express-based desktop or rack mount PC directly to a fiber optic network using the Gigabit SFP of your choice

Use modern Fiber technology to connect your PC with the Network

- Supports Full/Half-duplex Auto-Negotiation, Auto-MDI/MDIX
- Supports IEEE 802.1Q VLAN tagging
- Supports 1000 Mbps networks with automatic detection and setting
- Layer 2 functions: IEEE 802.3x Flow Control - IEEE 802.1Q VLAN
- SFP slot supporting the following transceivers: MiniGBiC 1000SX Multimode, 1000LX Singlemode, 1000BX Singlemode WDM
- Intel-Chipsatz - ensures a stable and efficient quality
- Integrated Heat Sink for stabilizing the SFP temperature
- Supports IPv4, IPv6 protocols
- Supports Jumbo Frames up to 9K
- Supports Windows 10, 8.1, 8, 7, Vista, XP, Mac OS X and Linux
- Operating temperature: 0°C - 55°C
- Weight: 40g

Package contents

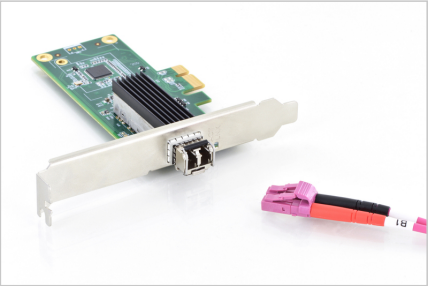

- Gigabit SFP PCI Express Card
- Manual
- Support CD-ROM
- Low profile bracket

Logistics

	Number (pcs)	Weight (kg)	Depth (cm)	Width (cm)	Height (cm)	cm³

Safety notes

- Switch off the computer completely and disconnect it from the power supply before installing or removing the network card.
- Static discharge can damage the product or the PC. Take measures against static discharge (ESD) when installing the product, e.g. wear an antistatic wrist strap.
- Before installation, touch the metal surface of the PC housing or another grounded object to ground any ESD charge via the housing.
- Avoid using too much force when connecting the product to the PC.
- Please ensure that any cables are connected correctly without overstretching or damaging them.
- Avoid touching the contacts of the product with your fingers to prevent corrosion or static charge.

EU responsible person

EU based economic operator ensuring the product complies with the required regulations.
