DIGITUS® Ergonomic Monitor Riser

DA-90458

EAN 4016032454564

Adjustable tabletop Monitor Riser max load up to 10 kg

With the ergonomic monitor riser, you have an easy-to-use product with which you can individually organize your desk. The modular design of the foot allows you to easily change the height of the holder by adding or removing support elements. In addition, there is a smartphone and tablet holder in the front area with openings for charging or connection cables.

The height-adjustable monitor riser enables you to individually organize your workplace. Through the modular design of the feet, you can flexibly increase the height in three steps and put your tablet or smartphone in the front area.
